2 sizes: small, big

150 Lashes (4.2%) 8.5, 10.5

a refreshing australian-style cloudy pale ale with restrained bitterness and a clean, smooth finish. it's an easier-drinking beer than others in the james squire range and a familiar style that australian beer drinkers will recognise. the use of malted wheat also adds to its refreshing character delivering a beer with a fruity nose and hints of passionfruit, grapefruit and citrus.

White Rabbit Dark Ale (5.2%) 9, 11

mouth filling malt characters and a beautiful fruit driven complexity derived from the open fermenters, mix this with a reassuring bitterness from some aromatic hops and we reckon the result is a delightfully scrumptious ale!

Yenda Hell (4.2%) 9, 11

a helles-style lager, the unfiltered nature of yenda hell gives it a light smooth body while retaining an intense but refined hop aroma. the helles is straw in colour, full strength with more malt flavour than a typical australian lager. the addition of the exciting new hop vic secret as a dry hop adds a modern australian twist and an interesting grapefruit and pineapple-like aroma.

Little Creatures Pale Ale (5.2%) 9, 11

drink a few pints of this beer and you'll soon become one of us...a certified "hophead" craving those crisp citrus flavours of grapefruit and passionfruit and maybe a bit of honey, all backed up with a good balance of bitterness.

Little Creatures Rogers (3.8%) 6, 8

rogers' beer has a complex mix of malts combined with the unique little creatures hop character. it's a consistently crafted fabulous, easy drinking beer, with just the right amount of flavour for west australian hot days and barmy nights.

Little Creatures Elsie (4.2%) 8.5, 10.5

elsie is a refreshing ale with hints of citrus that give way to a subtle maltiness, finishing clean and dry. it's the perfect beer for the west coast lifestyle.

Kirin Megumi (5%) 9, 11

Kirin premium reserve beer - first press method for a pure smooth taste - Kirin since 1888. "In Japan, purity is one of the highest pursuits of brewing.

Wilson's Figurehead Albany Blonde Ale (4.9%) 9, 11

a beautiful balance of malt and hops. a refreshing, fruity bitterness with a light body to quench your thirst. displaying subtle floral, melon flavours, our FigureHead blonde is clear, tart and dry with a beautiful white head. cloudy Belgain style wheat beer. open fermented in healesville. delicate subtle flavour. subtle spice aromas.

Swan Draught (4.5%) 6, 8

swan draught uses barley sourced exclusively from wa's world renowned growing fields to produce a golden coloured lager with that famous smooth malty flavour that has made it wa's no. 1 tap beer. tasmanian grown hops provide the bitterness to make this a well balanced, smooth and easy drinking draught beer.

Hahn Super Dry (4.6%) 8.5, 10.5

brewed using the finest ingredients with no preservatives or additives. an enhanced brewing process breaks down more of the natural sugars to deliver a super dry taste with only a third of the carbs of standard full strength beer.

Hahn Super Dry 3.5 (3.5%) 7.5, 9.5

hahn super dry is a premium low carb, mid strength lager, brewed using the finest ingredients with no artificial additives or preservatives. an enhanced brewing process breaks down more of the natural sugars to deliver a genuine super dry taste, with only a third of the carbs of a regular beer.

Pressmans Cider (4.2%) 9, 11

crafted in australia using fresh apple juice, pressman's cider is so clean and refreshing it's akin to taking a bite out of a crisp orchard-fresh apple. a light, thirst quenching cider, with crisp apple notes dominating, pressman's is the ultimate in refreshment when served in a tall glass over ice.
